3. Communication between parents and the school

School Communications

We acknowledge that under Australian law where this is relevant both parents must receive information and be involved in decision-making about their child/ren's education unless the courts have indicated otherwise.

We understand that the school will send communications (such as newsletters and School Reports) to us at the address or addresses we supply on the Application to Enrol and as modified from time to time in ***Student Information and Health Form***.

The School will notify all parents/guardians in writing within a minimum of 20 working days if:

We will advise the school of any changes to contact details or residential addresses. We understand that all overseas students must receive written approval from the Principal before they can change residential address if the school has arranged homestay accommodation and has issued a Welfare Letter (CAAW) for an child under the age of 18 years.

Privacy and use of photographs

We acknowledge that the School will use the personal information it holds about our child and our family for any lawful activity and in keeping with the School's Privacy Policy as up-dated from time to time.

In keeping with the School's Privacy Policy we consent to our child's photo appearing in school related publications such as the school newsletter, brochures, magazine and website.

We acknowledge that the School may share personal information with the Australian Government and designated authorities in regards to the enrolment of our child/ren. This personal information can include contact details, course enrolment details and changes, and any suspected breaches by our child/ren of their visa conditions.

4. Medical matters

When necessary, and when the school requests it, we will provide current health and medical information that is relevant to our child/ren participating in and attending School and School-related activities.

We understand that the School reserves the right to send a child/ren home from the School or require the child/ren to be collected from School if he or she is too ill to remain at the School, and that the School can decide if this is the case.

We understand that if our child/ren is a full paying overseas student that we must retain overseas student health cover for the duration of their studies at the School.

Medical Emergencies

In the event that our child/ren needs urgent hospital or medical treatment of any nature and the School is unable to contact us after making reasonable efforts we authorise the School to obtain ambulance and other emergency assistance. We indemnify the School, its employees and agents in respect of such action.

If our child/ren is in care arrangements then we authorise the Guardian to act for us in an emergency, accident or illness during the period of time that our child/ren is part of the overseas student program.

5. School fees

Paying fees

We agree to pay the School Fees, including school tuition and other ancillary charges in accordance with the timetable set out in the Overseas Student Fee Schedule. We acknowledge that if the School Fees are not paid within the period specified then our child/ren's enrolment may be at risk.

We acknowledge that if the School Fees are not paid at the end of any term to which those fees apply the Principal has the right to suspend or terminate our child/ren's enrolment for the next term.

If the course our child/ren has enrolled in is not delivered we understand that we will receive a refund for the School fees paid for this course. Please refer to the *Full Fee Paying Overseas Student Withdrawal, Deferral and Refund Policy* (attached) for further details about how the school refund fees paid.

We acknowledge that the agreement, and the availability of complaints and appeals processes, does not remove our right to take action under Australia's consumer protection laws.

In the event of hardship

We acknowledge that in enrolling our child/ren at Tyndale Christian School we have committed to paying School Fees for the period of the student's education at the School and that we have carefully considered the financial commitment involved. We understand that the School may approve a partial remission of fees in exceptional cases of genuine hardship but that such fee remissions will normally only be considered where a student has been enrolled at the School for at least two years and after parents apply in writing for assistance. We understand that fee remissions are only intended to assist families through a temporary period of need and, if granted, will normally only apply for a maximum of twelve months.

Withdrawing our child/ren from the School after enrolling at the School but before starting at the School

We acknowledge that if, after paying the Enrolment Fee, we withdraw our child/ren from the School and do not notify the School of our intention at least four weeks before the start of the term in which he or she was due to commence, 30% of the annual course fee will be payable.

Withdrawing our child/ren from the School after he or she has started attending the School

We acknowledge that if, after our child/ren has started attending the School, we decide to withdraw our child/ren from the School, we will give at least one full term's notice in writing before withdrawing our child/ren from the School. We understand that if we do not give this notice the full term's School Fees will be payable. Please refer to the *Full Fee Paying Overseas Student Withdrawal, Deferral and Refund Policy* (attached) for further details about how the school refunds fees paid.

If our child/ren is absent from the School for an extended period

We acknowledge that School Fees will not be refunded if our child/ren is absent from the School for extended periods due to sickness or injury. However, in this case, we may approach the School to be considered for fee relief. We may approach the School regarding deferment of a course. Please refer to the *Full Fee Paying Overseas Student Withdrawal, Deferral and Refund Policy* (attached) for further details about how the school deals with deferral.

We also acknowledge that if we wish our child/ren's place to be held open for reasons such as overseas travel, we will still be liable to pay the normal School Fees.

If our child/ren is suspended from the School

We acknowledge that the Principal may, at his discretion at any time suspend our child/ren from attending the School and that we will continue to pay all School Fees and other charges during any period when our child/ren is suspended.

If our child/ren is expelled from the School

If our child/ren is expelled from the School we acknowledge that we remain liable to pay all School Fees up to the end of the term in which our child/ren is expelled as well as all other charges incurred up to the date on which he or she is expelled.

If the School ends its relationship with us

We acknowledge the School's right to require us to remove our child/ren from the School if the School should conclude that the necessary relationship of trust and cooperation between us and the School is irreparably damaged. We understand that in these circumstances the School Fees already paid for the term in which the student is required to leave will not be refunded. If School Fees are still outstanding for the term during which we remove our child/ren, we acknowledge these Fees will remain payable. For further details please refer to the *Full Fee Paying Overseas Student Withdrawal, Deferral and Refund Policy* (attached).

6. Joint and several liability

We understand that both parents in signing the Confirmation and Terms of Enrolment accept joint and several responsibility for paying all School Fees and ancillary charges.

We understand that "Joint and several" responsibility for payment means that both parents are responsible to pay School Fees. Accordingly, if one parent fails to pay the School Fees the other parent can be held responsible, irrespective of any arrangement between the parents or with another person (for example, a grandparent) as to who is to pay. We accept that the School will not enter into disputes arising from disagreements between parents over responsibility for paying School Fees.

We understand that in the event that the School needs to engage an external debt collection agency to recover any unpaid school fees, both parents will also be held responsible for any costs associated with the debt recovery.

We accept that the School will not enter into disputes arising from disagreements between parents and the Agent/Guardian over responsibility for paying School Fees.

7. Indemnifying the school

We agree to indemnify the School against any claim, cost, damage or suit which another party brings against the School arising out of our child/ren failing to comply with the School Rules and Conditions or any reasonable direction of a School employee while at the School or travelling to or from the School.

We agree to be responsible for the cost of any damage our child/ren causes to School property.

8. Changes to rules and conditions of enrolment

We understand the School may amend the Terms of Enrolment from time to time and that any changes will be communicated to the School community and will apply from the date on which they are communicated.

9. Overseas Students
