

## Uniform Policy

### Vision Statement

*To see parents and children experience the benefits of Bible-based, Christ-centred, Parent-controlled education in order that they might be prepared and equipped for a life of service as disciples of Jesus Christ.*

### Mission Statement

*To serve Christian families by operating one or more schools, as the Lord enables and prospers us, and that while remaining faithful to our vision, and to the Reformed faith and the worldview of our founders, to provide Christian education of the highest quality for as many as desire it for their children.*

### Rationale

The Tyndale Christian School Uniform Policy was adopted to foster high standards of presentation, discipline, and to minimise certain influences which distract from the purpose of the school. God has called each of us to uphold high standards and we should pass this ideal onto our children.

Our dress philosophy is that a student should be neat, modest and well-groomed in appearance. All clothing must be clean, properly fitting and in good repair. Everyone is expected to exercise good habits of personal grooming and modesty, not only to abide by the Uniform Policy, but to also live within the spirit of its intention. If a student is asked by a staff member to change clothing or to remove items not appropriate for a school setting, he/she must do so without protest.

In response to important matters of community life, the Board will develop and communicate policies as tools to facilitate consistent and thoughtful action that reflects the character and Biblical foundation of the School.

### Principles

Tyndale Christian School is committed to the use of uniforms for its students. We perceive this policy to have five fundamental benefits:

- Uniforms help identify us as belonging to a particular community. In our case, we are identified as part of a covenantal Christian community which is proud of its heritage and relationship with Christ;
- Uniforms positively affect school discipline – Tyndale Christian School places particular value on a disciplined learning environment. It is our hope that when children wear their uniforms they understand that they are expected to engage in studious activity. Just as parents dress for their work day, wearing a Tyndale Christian School uniform is a signal that education is the focus of our day. This discipline should make it easier for Tyndale Christian School to complete its primary task of educating children;
- Uniforms encourage team spirit – uniforms set our students apart from other schools. They encourage students to operate as part of a body, much like an athletic team identified by common dress. It is our hope that students will take proper pride in the uniform and the school it represents;
- Uniforms prevent the application of subjective dress standards – parents, students and teachers know that the uniform meets Tyndale Christian School's modesty and WH&S standards; and

- Uniforms decrease clothing costs - uniforms are rugged and of high-quality which withstand the wear and tear of school life. Uniforms can often be handed down to other siblings or sold second hand.

Students are expected to be in complete uniform (regulation or optional – defined below) while school is in session and must wear the uniform every day for the duration of the school day, unless otherwise approved by the Principal for special classroom or school events. If a student is unable to comply with this regulation, a parent/guardian must send a written note via their class/roll teacher explaining why his/her child is unable to comply. If students attend school or school events in the incorrect or incomplete school uniform, they may be sent home to change into the correct or missing items (at the discretion of the Coordinators and Deputy Principals).

## Uniform Requirements

All items of uniform are available in the Uniform Shop and parents are strongly advised to purchase their child's requirements from the shop. **Clothing purchased elsewhere must be identical to the Uniform Shop stock.**

## General Requirements

1. Students are expected to keep their uniforms clean, tidy and in good repair (including shoes)
2. It is also expected that students will not draw undue attention to themselves by way of their appearance
3. Students must provide a note from their parents if, for any reason, they are not in full school uniform
4. The Tyndale school bag is compulsory for all students from Prep to Year 12
5. Every student must have either the Tyndale slouch hat (Navy Slouch Hat with Tyndale crest compulsory for Prep to Year 5) or the Tyndale cap (Years 6 to 12)
6. School ties should be worn appropriately, for example, top button done up and tie pulled up to the top
7. Tyndale school blazer and tie are optional
8. If students opt to wear a Tyndale school blazer, the Tyndale tie must be worn in conjunction with the blazer
